MULTI-YEAR PARTNERSHIP WITH HASBRO

EXCLUSIVE WORLDWIDE DEAL
FOR ALL OUR BRANDS

Evolution has entered into a multi-year, worldwide partnership with Hasbro, becoming the exclusive licensing partner for online live casino and slot games inspired by MONOPOLY and other Hasbro titles.

This strategic agreement spans all Evolution brands — Ezugi, NetEnt, Red Tiger, Big Time Gaming, Nolimit City, Livespins, and Evolution itself — and includes markets across the globe, including the USA.

Building on the enormous success of Evolution's already developed MONOPOLY Live and MONOPOLY Big Baller live casino game shows, this agreement is an exciting next step in the Evolution and Hasbro collaborative relationship.

As a result of the new partnership, Evolution will be the exclusive licensing partner for online casino games based on much-loved Hasbro Games properties. Beginning in January 2026, operators and players can look forward to a fresh line-up of Hasbro-based experiences, including Game Night, MONOPOLY Filthy Rich, MONOPOLY Roulette, and multiple new slot titles — set to be unveiled at ICE Barcelona 2026.

Evolution's bold approach to innovation and entertainment made us the natural choice to bring Hasbro's iconic brands to life in new ways. As Todd Haushalter, Evolution's Chief Product Officer, said: "The combining of Hasbro and Evolution just feels right. We will make magic together... we will forge a new chapter in our industry."

NORTH AMERICA UPDATE

NEW GAME SHOWS AND TABLES IN MICHIGAN

As of July 8, Michigan players can experience Red Door Roulette — the thrilling live game show mash-up of Lightning Roulette and Crazy Time's Bonus game, where unlocking Bonus keys opens the Crazy Time wheel for chances at massive multiplier wins.

Meanwhile, Infinite Fun Fun 21 Blackjack is live, too. An unlimited number of players can play at the table, where they'll find no 10s in the deck, an early Double Down feature, and Bonus payouts — including Bonus 21 and Super Bonus 21 — all adding fresh strategy to every hand.

And that's not all. Casino Hold'em, the favourite live Poker staple, has also joined the line-up, further expanding the online card-game options for players in this US state.

NEW STUDIOS OPENED

SERVING THE PHILIPPINES AND BRAZIL

Evolution has once again expanded its global footprint with the launch of two brand-new live casino studios — each tailored to deliver premium, localised experiences for players in key growth markets.

FIRST FOR ASIA, IN PARTNERSHIP WITH OVG

Our Cebu studio in the Philippines is Evolution's first studio in Asia, which launched in partnership with PAGCOR-licensed OVG. It opened with live Baccarat, with additional titles including Lightning Roulette, Marble Race and the local favourite Super Color Game coming soon.

PORTUGUESE-SPEAKING DEALERS AND LOCALISED GAMES FOR BRAZIL

In addition, we have launched the first Evolution studio in São Paulo, Brazil. It features Portuguese-speaking dealers and regional variants such as Blackjack Clássico, alongside localised versions of top performers like Crazy Time, XXXtreme Lightning Roulette and the recently launched Ice Fishing.

These milestone openings reflect Evolution's ongoing strategy: bringing world-class content to players everywhere, empowering local operators, and enhancing the player experience through localisation, scalability and speed.
