LIGHTNING BAC BO IS LIVE

WITH MULTIPLIERS UP TO 1200X

Lightning Bac Bo is here, bringing an electrifying twist to our engaging 'dice-Baccarat' game. This live game combines the simplicity of predicting whether the Player or Banker will roll the highest two-dice total, with the thrill of powerful multipliers.

It's easy to play and packed with suspense. Just place a bet—Player, Banker or Tie—and watch the Lightning round bring extra heat to every shake of the dice.

Each round, a random Lightning dice number is selected and given a multiplier between 2x and 8x. If it shows up in the winning hand, the payout is boosted. And in a Tie where all four dice match the Lightning number, payouts can soar up to an incredible 1200x.

With guaranteed multipliers every round and massive win potential, Lightning Bac Bo delivers high-stakes energy and non-stop excitement.

KEY FEATURES

- Lightning version of Bac Bo 'dice-Baccarat'
- Multipliers generated in every game round
- Massive payouts up to 1200x.

NEW GAMES, A TOP AWARD AND MORE

US DEBUTS FOR THREE NEW GAMES

The wait is over —Red Door Roulette has officially launched in the United States. This popular live game show is now available for players in New Jersey and Delaware. Blending the award-winning thrills of Lightning Roulette with the excitement of the Crazy Time Bonus game, Red Door Roulette delivers non-stop action, stunning visuals and a one-of-a-kind experience.

Additionally, Easy Blackjack launched in New Jersey in May, and Infinite Bet Stacker Blackjack in June. Easy Blackjack is a uniquely fast and easy twist on classic Blackjack in which cards are dealt to the dealer and players simply bet on predefined scores for the dealer's hand: 16, 17, 18, 19 or 20, and with a 'Bust it' side bet.

Infinite Bet Stacker Blackjack, meanwhile, is an enhanced variant of our Infinite Blackjack game for an unlimited number of players. It includes Bet Stacker rules and the Bonus Element, which allow players to stack bets for potentially greater winnings. Four optional side bets are included—'Perfect Pairs', '21+3', 'Hot 3' and 'Bust It'—and the 'Six Card Charlie' rule, too.
